

Powering Progress with Precision

Business Presentation

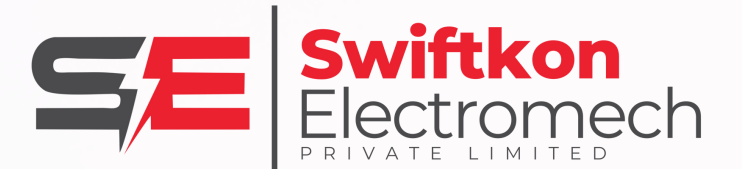

About Me

- Diploma in Electrical Engineering from RC Technical College
- B.E. in Electrical Engineering from Venus International College of Technology, Gandhinagar
- Strong technical knowledge with hands-on industry experience
- Focused on innovation, quality, and customer satisfaction
- Co-founder and key driving force behind Swiftkon Electromech Pvt. Ltd.

The Swiftkon Story

Foundation Laid

Started as Swift Electricals, doing panel retrofitting, repairs, and wiring on contract.

Started Manufacturing

Set up our own factory and began panel manufacturing for corporate clients.

Entered Fire & Machinery Segment

Entered the fire safety and plastic machinery field with specialized solutions.

Trading Arm Launched

Started Falcon Electricals to trade RR cables, stabilizers, pressure switches, gauges, and more.

Merged & Rebranded as Swiftkon

Combined both companies into one strong brand – Swiftkon Electromech Pvt. Ltd., to grow with a clear, long-term vision.

Our Vision & Mission

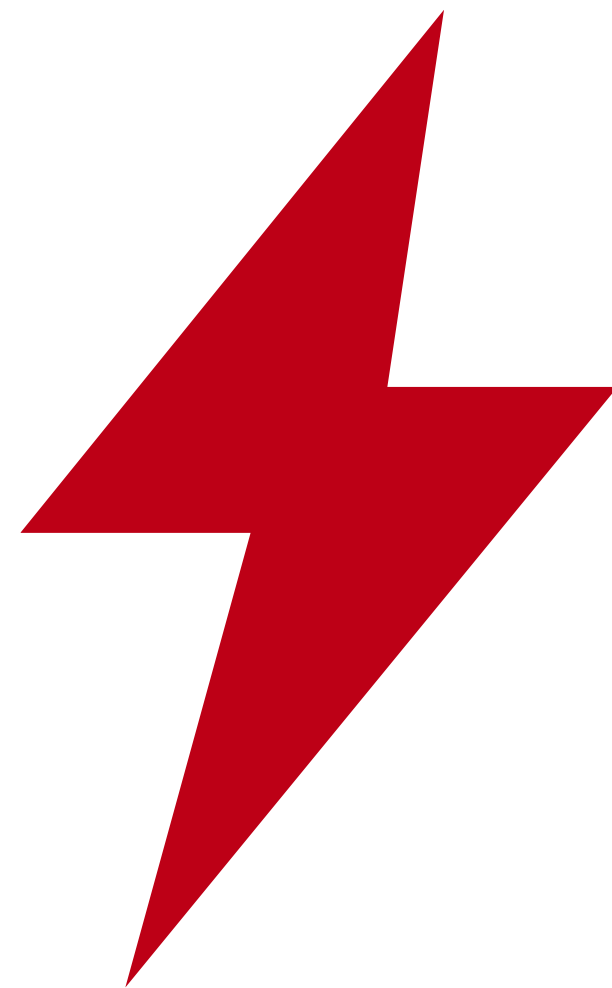

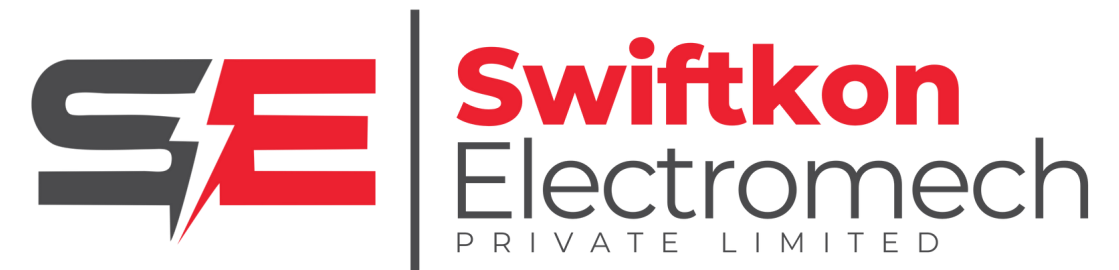

Our Vision

In the next 5 years, we aim to expand our manufacturing unit, bring all processes in-house, launch new products like HT Panels and TTA Panels, and grow our presence globally.

Our Mission

To create more job opportunities by providing training and empowering individuals with skills and self-confidence.

Our Products

Our Products

LT Panels

**MCC, PCC, APFC, Control Desk, PDB,
Solar 800V ACDB Panel, HVAC Panel,
DG SYNCHRONIZING PANEL, AMF PANELS,
SCADA CONTROL PANELS, FSP & MSP
PANELS, BUSBAR JUNCTION BOXES**

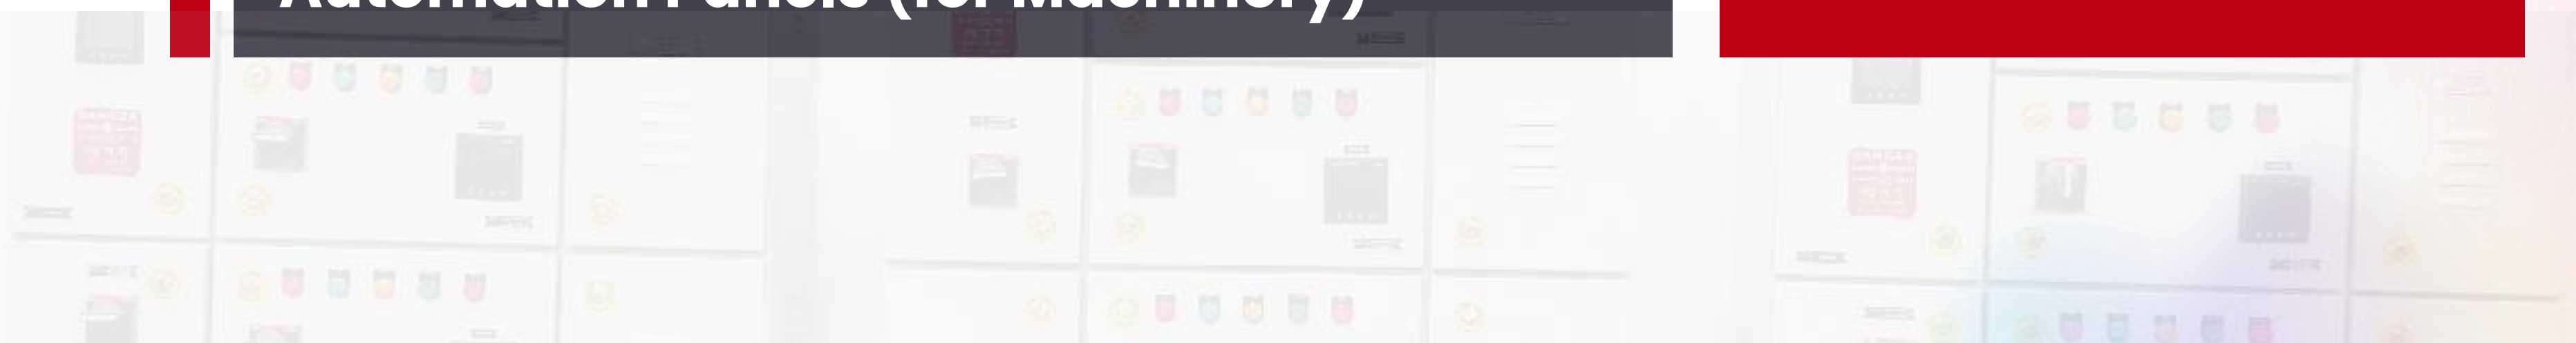

CONVENTIONAL BUSDUCT

Automation Panels (for Machinery)

Our Specialties

**Custom Fire Pump
Control Panel Solutions**

**Electrical Solutions for
Injection Moulding
Machinery**

FIRE PANELS

 **Ready Stock Available up-to 100 Hp**

COMBINE CONTROL PANEL

- The VFD Panel (Variable Frequency drive panel) also known as VFD Control Panel are designed to control the speed of the electric motor and feed pump.
- They are widely used in drilling, pumping and other large machine applications like **fire pumps**, Conveyor, Compressor and etc.

Power Distribution Board (PDB) Panel

 **Power Distribution Boards, are primarily used for electric power distribution, fault protection, and monitoring in various settings, including residential, industrial, and commercial applications.**

They are also utilized for power factor enhancement and total power consumption reduction.

SFU PANEL

PLASTIC WASTE RECYCLE PROCESSING MACHINE PANEL

Additional Products

- **Pressure Switch (Danfoss)**
 - KP35, KP36
- **Pressure Gauge (Air Master)**
 - 0-14kg, 0-21kg
- **Water Flow Switch (Honeywell & Wika)**
 - Relay O/P & Analog

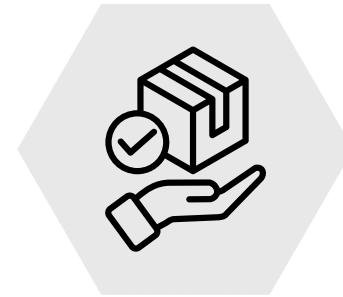

Additional Products

- **RR Cables (0.5 sqmm to 300 sqmm)**
 - Ready Stock
- **Single Core to Multicore Cables, Copper & Aluminum**
- **Communication Cable**
- **Servo Voltage Stabilizer 1kva to 300kva capacity**

What Makes Us Unique

Ready stock panels

- 100 HP for Fire Pump Systems
- 150 HP for Diesel Engine Applications

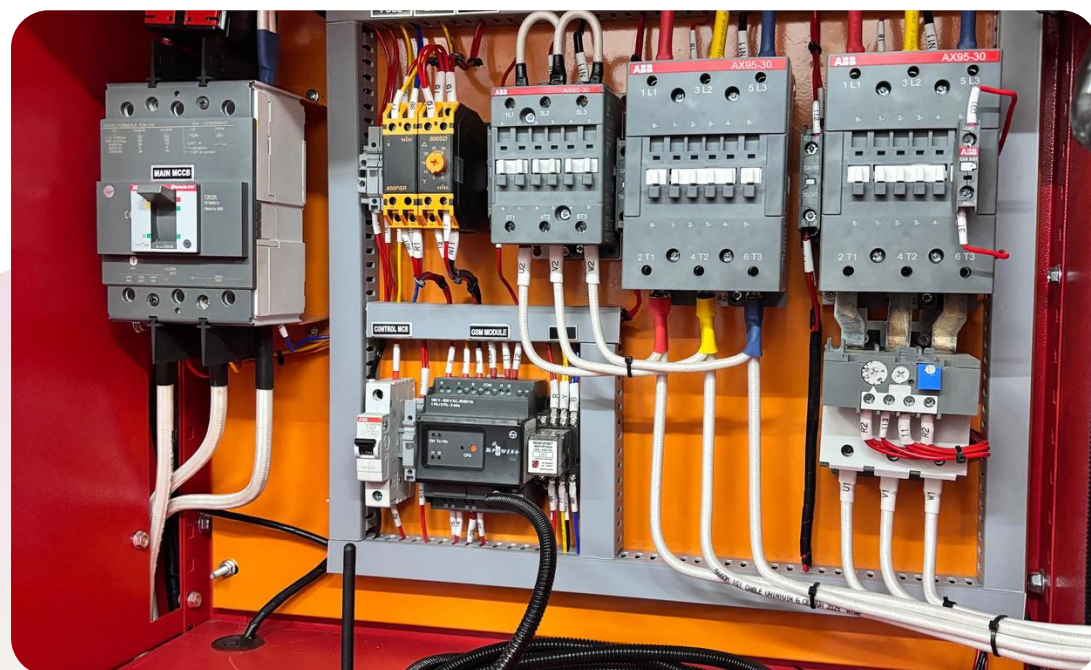

Assured Quality with On-Time Delivery and Service

24x7 Dedicated Support

Key Achievements

01

**Successfully
implemented
GSM-based Fire Panels**

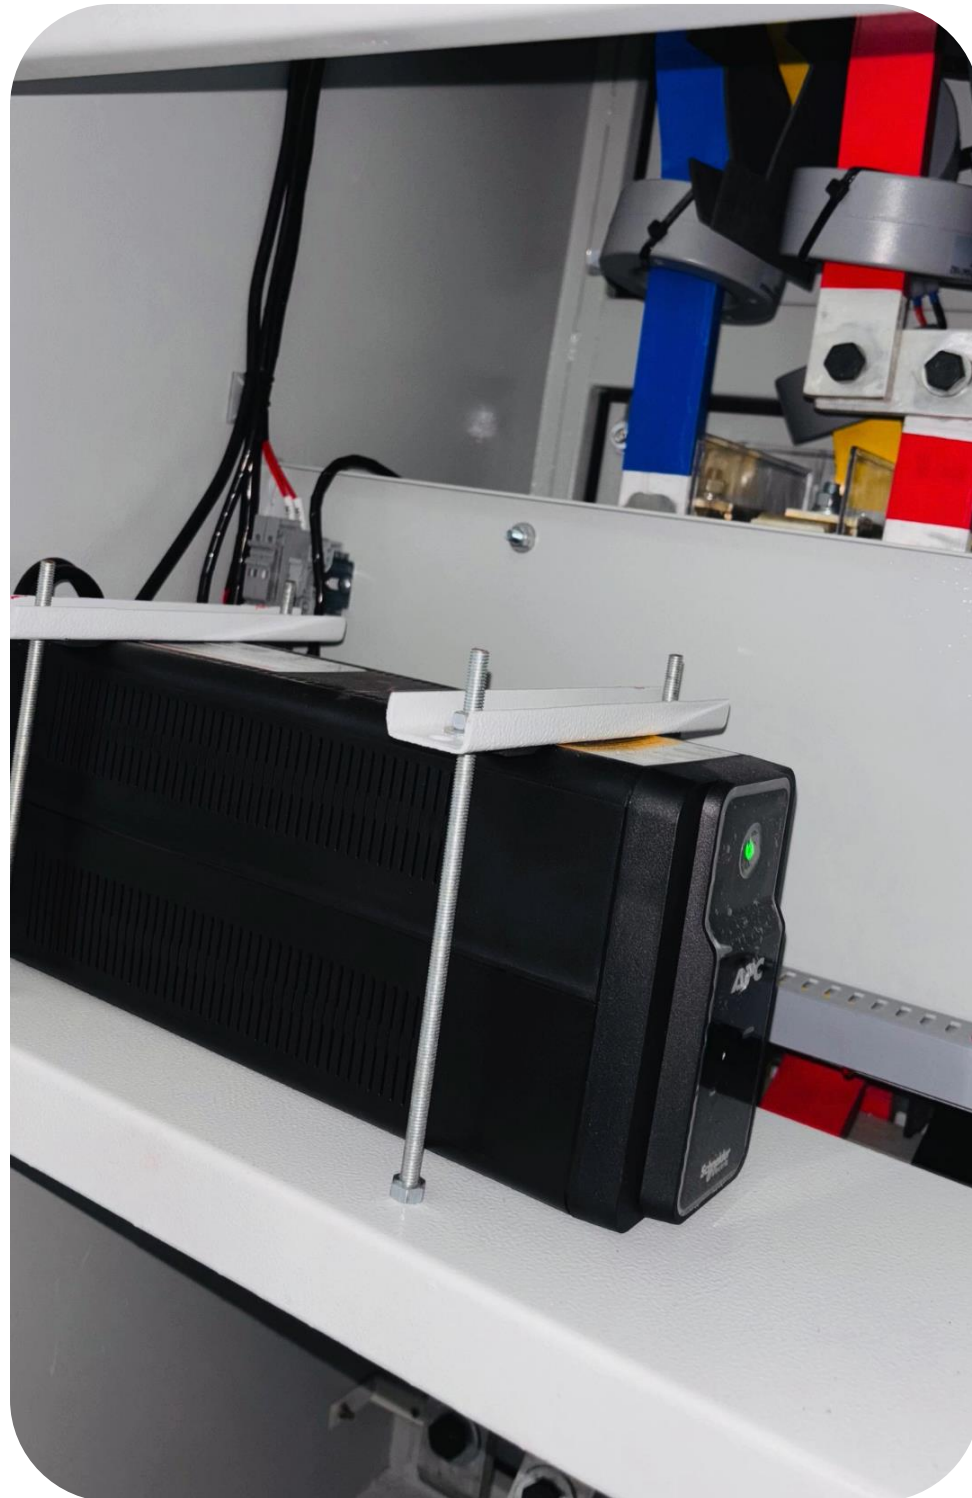

02

**PDC – MCCB based
protection systems**

03

**IOT-enabled Fire Pump Control
Panels for smart monitoring**

Key Achievements

01

**Successfully implemented
GSM-based Fire Panels**

02

**PDC – MCCB based
protection systems**

03

**IOT-enabled Fire Pump Control
Panels for smart monitoring**

Key Achievements

01

**Successfully implemented
GSM-based Fire Panels**

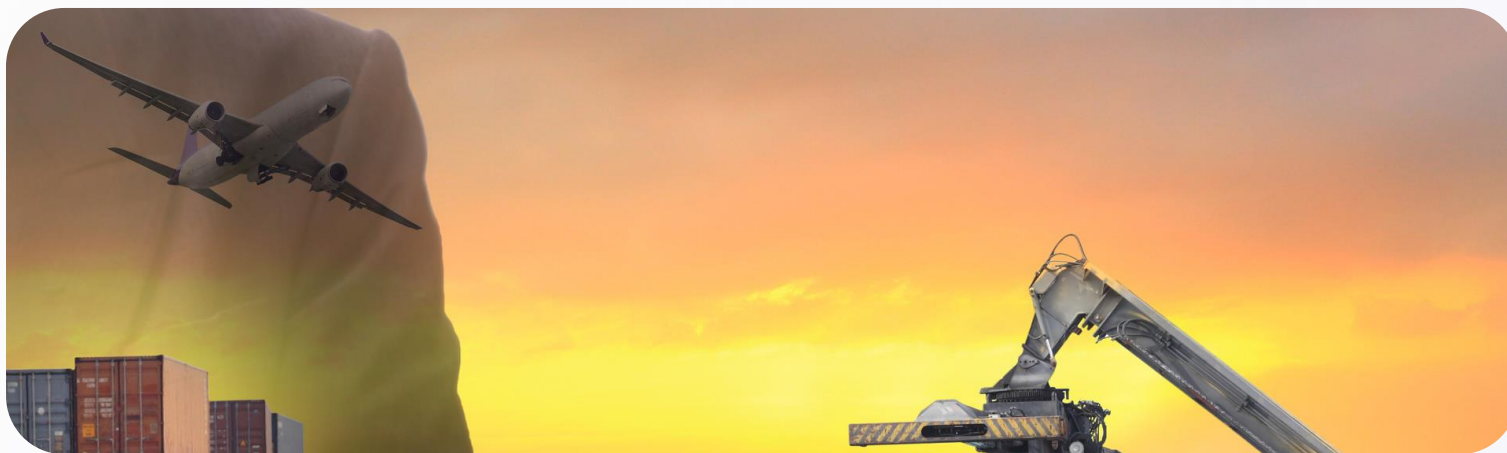

02

**PDC – MCCB based
protection systems**

03

**IOT Based Fire Pump
Control Panels for
Smart Monitoring & Control**

Infrastructure & Facility

Manufacturing capacity up to 300 HP panels

100% Made in India setup

Dedicated assembly area for:

- **Bus Bar & Wiring**
- **Cutting, Bending & Drilling**

In-house Quality Control & Testing Department

Software-based Quotation System for fast execution

Expert Design Team using AutoCAD & SolidWorks

Industries **We Serve**

TEXTILE INDUSTRIES

**Petrochemicals /
Chemical Industries**

**Pharmaceuticals
Industries**

Food / Dairy Industries

**Metal / Steel Plants
Industries**

Telecom Industries

**Multiplex /
Commercial Mall**

Port / SEZ

**Ceramics / Cement
Industries**

Hotel / Hospitals

**Glass / Plastic / Cable
Industries**

**Government
Departments**

OUR Clients

Certifications

**CPRI Test
Certified**

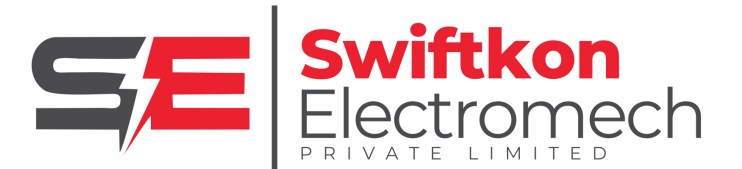

**Fire & Security
Association of India**

**FSAI Certified
(Fire & Security Association of
India)**

**ZED Certified
(Zero Defect Zero Effect)**

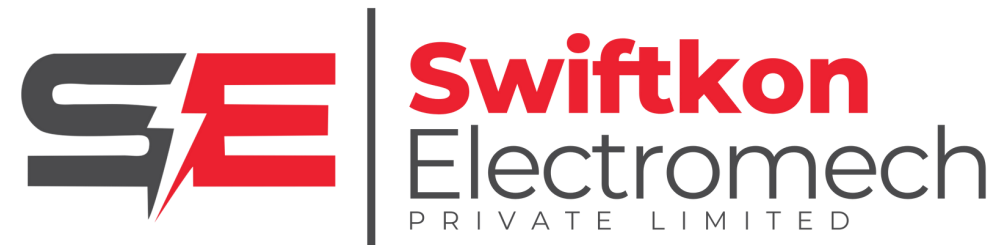

**MSME
Registered**

General ASK

- Heavy Industries & Manufacturing Plants
- Fire Segment, Cabling and Panel Distribution work
- Commercial Complexes & Office Buildings
- Large Shopping Malls
- Residential Projects
- Organizations like Sardardham and Kelavanidham
